DECEMBER 2007

## HOLIDAY JINGLE 2007

Wednesday, December 12th

5:00 pm to 8:00 pm

You child and the staff at Delta Gymnastics have been working extra hard to prepare for our annual club show. Group performance times have been set and you can check your child's performance time on the poster over the trophy case in the lobby. Please wear your New Jr. Superstar Bodysuit or T-shirt to the performance.

### *How the show works:*

On December 12th please check your child in at the designated check-in time in the Arctic Room of the South Delta Recreation Center. There you will leave your child with the coaches so you can find your seat as coaches prepare and lead gymnasts down to the gym where the performance will take place. After your child performs, coaches will lead the gymnasts out into the hallway where parents can pick up their children. At this time you are free to stay and watch more of the show or leave with your child.

If you have any questions or concerns please contact Kristina at [ksharp@deltagymnastics.com](mailto:ksharp@deltagymnastics.com) or 604-943-0460

*Hope to see you there!*
